

Dead Meat

Dead Meat/ and that's the way that they move/ begging for help/ steal toes on eggshells/ Dead Meat/ and that's the way that they break/ on their hands and knees just praying for faith/ Dead Meat/ and that's the way that they move/ begging for help steal toes on eggshells/ Dead Meat/ and that's the way that they break/ on their hands and knees just slaves to their faith/

It used to be friendly hazing and fake bomb threats/ school bullies take your milk money and brown sack/ Now its pedophiles executing Amish/ and students losing it shooting like nam vets/ take no prisoners, shoot to kill/ no child left behind in a school that's built to/ Take home curriculum, choose the pills/ no child gets to decide what's lucid and real/ so they bleed hope, machine choked meat mold/ trying to satellite bad life and grind on ergonomics/ surviving steady supply of urban toxins/ yetis designed subversive postures/ get in line to merchant hospice/ economics, making murder honest/ retro progress/ while steak and burger citizens bathe in Auschwitz/ faith can murder innocence/ and fame can blur convictions/ that American condition, we can't stop ourselves/ and those are the souls that Johnny Cochran sells/ that makes little Eric wanna taste a shotgun shell/ good thing daddy keeps the cannon on the top hung shelf/ and you know there's no hope when even god wants help/ in a country that exploits anything if the product sells/ god... I hope the product sells/ forget it, get blasted turn our faces to ashes/

Dead Meat/ and that's the way that they move/ begging for help/ steal toes on eggshells/ Dead Meat/ and that's the way that they break/ on their hands and knees just praying for faith/ Dead Meat/ and that's the way that they move/ begging for help steal toes on eggshells/ Dead Meat/ and that's the way that they break/ on their hands and knees just slaves to their faith/

Sadist cops can walk the streets/ stalking the beast/ behind the badge as a cross between Bronson and Serpico/ megatronic smart machines barter relief/ in Pontiac and apartment pharmacies on a search for hope/

evolved vertebrate/ bone marrow/ gun barrel/ sand blast/ cannon blast/ stand fast/ soul arrow/ dynamic stone scarecrow/ Borg Moses/ born pharaoh/ source alchemy/ reinforce galaxy/ cement forest forged amalgam seed/ concrete flower sprouted out of streets/ Babel tower powdered/ peace/ breath/ reincarnate caught in carnage karma architecture/ metro mark of beast/ Armageddon heart of flesh can pump lead in metal arteries/ black September martyr dreams/ for the homeland/ penny armored breath pumps oppression through the politics/ Willie Lynch parlor tricks/ for the phone taps/ inhabitants monitor Congo concourse/ surveillance bridges monitor commoner consorts/ for the hierarchy/ bondage work for the control class/ we're all slaves to our own indulgence/ so twist your skull caps/ and wonder, which part of Rome will fall next/
